

Pylori Rx: About the Pylori Rx App

- This app was developed by the Irish *Helicobacter pylori* working group (IHPWG) to provide the most relevant current best-practice guidelines for the diagnosis and treatment of *H. pylori* infection in adults in Ireland.
- These guidelines were published by the *European Journal of Gastroenterology and Hepatology* in 2024 and can be accessed here: https://journals.lww.com/eurojgh/fulltext/2024/08000/the_second_irish_helicobacter_pylori_working_group.4.aspx
